

BLOOMSBURY RESIDENTS' ACTION GROUP

PROOF OF EVIDENCE 6

Increased risk to cyclists in surrounding streets

1. Proof of Evidence 5 presents statements from cyclists who do not feel safer because of the trial, not least in surrounding streets, where cyclists frequently have to weave in and out of congested traffic. The videos presented show cyclists at risk in congested traffic.
2. The photos below illustrate the problems for cyclists in surrounding streets, having to deal with the traffic displaced from Tavistock Place.
